

Intensive Course for ONDAMED Practitioners In Schwanau, Germany April 26-28, 2012

The Intensive Course for ONDAMED Practitioners is an in-depth, hands-on course covering all aspects of ONDAMED therapy, and exploring the physiological and analytical advantages of ONDAMED for any patient.

*With Rolf Binder, ONDAMED Inventor and Founder
and Silvia Binder, ND, PhD, CEO of the Ondamed Companies*

Quotes from previous courses

"The Practitioner's Intensive Course is a very grounding experience, inviting confidence and comprehension of using the ONDAMED." Phyllis L. - Pomona, California

"Even though I have been an ONDAMED practitioner for one year, this seminar has provided me with numerous clinical gems that I will be applying my first day back at work. Thank you." Robert A., DC - Canada

"I benefitted greatly from this training. It was a good blend of theory and hands on practical training." Andrea Nowak - Las Vegas, NV

"I loved it. Just being with such loving people dedicated to healing. This is unique to ONDAMED." Jim.B., BS, HTPC - Ballwin, Missouri

"It was an absolute delight finally meeting Silvia, Rolf, and other members - I would highly recommend this course/training." Rachel M. - North Attleboro, Massachusetts

"After 1 1/2 years of treating patients with ONDAMED, I attended a Refresher Course. Not only did it validate how I was treating patients, but it answered all my questions and the new treatment protocols I learned have been extremely helpful with treating my patients." Cynthia S. - Lauderhill, Florida

"Learning and sharing ONDAMED with my clients has revolutionized my business by accelerating the results achieved with healing protocols and programs." Dian F. - Morristown, New Jersey

"This intimate class with Silvia was the most productive learning experience I've had with ONDAMED." Alexandra S. - Hawthorne, New Jersey

"The refresher training was good and definitely needed. Thank you Silvia and Rolf for your patience and for taking the time to answer my many questions. I now feel a lot more confident and look forward to making progress with my health and helping others with theirs." Anne-Marie C. - Clinton, Massachusetts

"I would like to thank everyone at Ondamed Inc. and all who attended the Refresher Course on 4/13 for an outstanding class. Thanks again!" Bernie R. - Brooklyn, New York

Intensive Course for ONDAMED Practitioners

Course Syllabus

Thursday, April 26, 2012

2:00pm to 5:00pm

Introduction and Part One

Part One: ONDAMED Theory

- Concept and Technology
- Explanation of the 4 Modules
- Visualization Software

Friday, April 27, 2012

10:00am to 5:00pm

Part Two: Hands on Training

- Pulse Feedback
- Module 2 & scanning the body to identify Main Focus
- Module 1
- Module 3
- Module 4
- ONDAMED for acute injuries

Saturday, April 28, 2012

10:00am to 5:00 pm

Part Three and Part Four

Part Three: Integrating ONDAMED into Your Practice

- Standard protocol

- Sports Injuries and improvement of athletic performance
- Observation, perception and recognition of patient patterns
- Supplemental methodologies

Part Four:

Silvia will work with every participant in her class to demonstrate the use of all 4 modules. This will help everyone to understand their own personal health patterns by reviewing the findings of frequencies, programs, reaction areas and the Main Focus. Experiencing this method on oneself will strengthen the understanding of this very valuable approach and help direct meaningful communication with patients while receiving a more complete picture of the patient's disease patterns.
