INTENSIVE PRACTITIONER COURSE

This Intensive Course for ONDAMED Practitioners is designed and taught by Dr. Silvia Binder, the Founder of the Binder Institute for Personalized Medicine in Southern Germany. This hands-on advanced training goes into depth on many different ancient and cutting-edge philosophies and methods like: Intuition, TCM, Ayurveda, Homeopathy, Bach Flowers, Testing for Inflammatory Response to Nutritional Intake and Desensibilization, Nutritional Counseling, Detoxification, homeopathic Hormone Replacement Therapy, Weight Optimization, Epigenetics, Germanic New Medicine, and Bio-Energetic Medicine.

Learn about Silvia's „Plantary System“ and start using some or all aspects in your daily clinical work.

INTENSIVE PRACTITIONER COURSE

April 10-11, 2018
9am—6pm

At The Diplomat Resort and Spa
Hollywood, FL

\$750 each**
\$500 for each additional practitioner from the same organization

** includes the Binder Institute Intensive Course Manual

This easy-to-use Intensive Course Manual contains more than 200 pages of reference material including special treatment protocols, microbial and nutritional definition lists, complementary methods in form of meridian charts, chakra explanations, biological dentistry charts correlating to organs & organ systems, pathology and emotional connections. Further, the Intensive Course Manual contains information on Dr. Hamer's work aka the Germanic New Medicine, Bio-Energetic Medicine, Hellinger's Family Constellation therapy, clinical research, patient cases, an in-depth explanation of all 4 Modules, the Main Foci Technique, Nutritional inflammatory response testing and desensibilization, and a recommended reading list.

This manual will become the manual of your choice containing a wealth of information valuable for your daily work with your patients.

Reserve your spot today! We look forward to spending time with you at this special event.

Quotes from previous Courses

"The Practitioner's Intensive Course is a very grounding experience, inviting confidence and comprehension of using the ONDAMED." Phyllis L. - Pomona, California

"Even though I have been an ONDAMED practitioner for one year, this seminar has provided me with numerous clinical gems that I will be applying my first day back at work. Thank you." Robert A., DC - Canada

"I benefitted greatly from this training. It was a good blend of theory and hands on practical training." Andrea Nowak - Las Vegas, NV

"I loved it. Just being with such loving people dedicated to healing. This is unique to Ondamed." Jim.B., BS, HTPC - Ballwin, Missouri

"This was an excellent introduction to the advanced therapeutic capabilities of the ONDAMED technology. Silvia's intuitive application of the ONDAMED to her training, demonstrated how the ONDAMED is actually a technological bridge between the patient and the universe. Thank you for an enlightening 2 days." Bob B. Ontario, Canada

"It was an absolute delight finally meeting Silvia, Rolf, and other members - I would highly recommend this course/training." Rachel M. - North Attleboro, Massachusetts

"I would highly recommend that all doctors using an ONDAMED do an Intensive Course. I gained such valuable information and the 2 days awakened my spirit to learn so much more. I was enriched with so much information & can't wait to put it into practice. Thank you." Donna S.-Ontario, Canada

"An excellent Course! ONDAMED is an excellent choice leading to a healthier life." George T.- Staten Island, NY

"This intimate class with Silvia was the most productive learning experience I've had with ONDAMED." Alexandra S. - Hawthorne, New Jersey

"Completely satisfied,- Silvia's insight and wisdom makes this seminar a delight to attend. I learned a whole new level of ONDAMED use which I will now use to help others who are needy." Monte G. New York, NY
